

Benjamin Russell High School Band

"The Pride of Alexander City"

Marching Band Volunteer Duties

All Chaperones:

- There are many who would like to be involved...be a helper, not a spectator.
- Must agree to participate as assigned by Mr. Bloodworth
- Must understand that they are chaperoning the band, not their family
- Understand that chaperoning is a supervisory/support task – therefore, parents with several small children should plan on volunteering in other capacities. We do not have room on the buses to transport children of chaperones
- Help in the stands with water; supervise restroom trips
- Distribute and collect feather plumes
- Help serve and clean up after snack
- Assist as needed on the buses
- Help check buses for trash/lost items
- Work as a team to finish uniform tasks, reorganize for the next event, discard trash (to dumpster)

Uniform Crew:

- Will help in issuing, taking up, and hanging uniforms
- Upon arrival at home, goes to uniform room to attend duties

Pit Crew:

- Assist student loading crew by maintaining a safe environment to load/unload
- Help move equipment/supplies/water into and out of stadium
- Help move, set up, and break down equipment for halftime performances
- Help monitor our equipment and areas of participation where the band performs

The Chaperone list will be posted in advance on the band's facebook page and sent out by Charm's Blast. We want many different parents involved. There will, however, be some who work each week to provide consistent support and leadership.
